

Use of location information

Nagasaki City wireless LAN service “Nagasaki City Wi-Fi” (hereinafter referred to as the “Service”) obtains and uses wireless access point location information for usage surveying purposes.

(Acquirer)

Nagasaki City

Nagasaki Cable Media Inc.

(Purpose)

- For the surveying of the number of users of the service
- For the enhancement and improvement of services provided by the City, and for analysis and extraction for consideration of new services
- For the confirmation of the service usage of users when answering inquiries

(Types of information obtained)

Usage time, usage language, usage area, MAC address of the terminal device being used, IP address of the terminal device being used and location information of the wireless access point for the service which the terminal device is connected to (hereinafter referred to as “location information etc.”).

(Provision of information to third parties)

Acquired information may be provided to third parties within the scope of the purpose of usage.

(Suspension of the acquisition of location information etc.)

The acquisition of location information etc. will be suspended approximately one month from the day agreed to the terms of use of the service.

(Preservation period of location information etc.)

Information obtained will be discarded within six months from the following month of the month in which the information was obtained.
